

## ENT CME ON OTOSCLEROSIS

The ENT department of AARUPADAI VEEDU MEDICAL COLLEGE, PUDUCHERRY organized an expert lecture on “**OTOSCLEROSIS – An overview**” on 23/08/2017 between 9 AM to 1:30 PM at ENT Seminar Hall, AVMC. This CME was attended by 13 faculty members & 80 students.

### **Importance of the concerned topic**

The idea behind choosing otosclerosis as topic of discussion is, despite the disease being a common cause of hearing loss, it is very poorly recognised and managed due to lack of knowledge about the disease.

Introduction and review of surgical anatomy of otosclerosis was given by DR. V. SUBRAMANIAN, M.S., DLO, PROFESSOR & HOD DEPT OF ENT, AVMC&H

A detailed lecture on the ETIOPATHOGENESIS & DIAGNOSIS was given by DR. KARTHIKEYAN DLO, DNB (ENT) PROFESSOR & HOD DEPT OF ENT, MGMC&RI

A brief review on TREATMENT & NEWER PERSPECTIVES of otosclerosis was given by DR.GOPALAKRISHNAN M.S. (ENT) , PROFESSOR, DEPT OF ENT, MGMC&RI

An INTERACTIVE SESSION followed where DR. V SUBRAMANIAN, DR.GOPALAKRISHNAN & DR. KARTHIKEYAN answered student’s questions regarding the topic and enlightened the students with their knowledge.
