(DEEMED TO BE UNIVERSITY)
AARUPADAI VEEDU MEDICAL COLLEGE & HOSPITAL
DEPARTMENT OF ANATOMY

A Horizontal Integrated Lecture on “ **Coronary Circulation** “ was organised by the Department of Anatomy on **08-12-2017 (Friday)** between **9 – 10.30 AM** for **1st Year MBBS students** at the Physiology Lecture Hall.

Dr. T. Rajan, Professor & Head of the Department of Anatomy, AVMC & H delivered the Welcome Address and introduced the Speakers to the students.

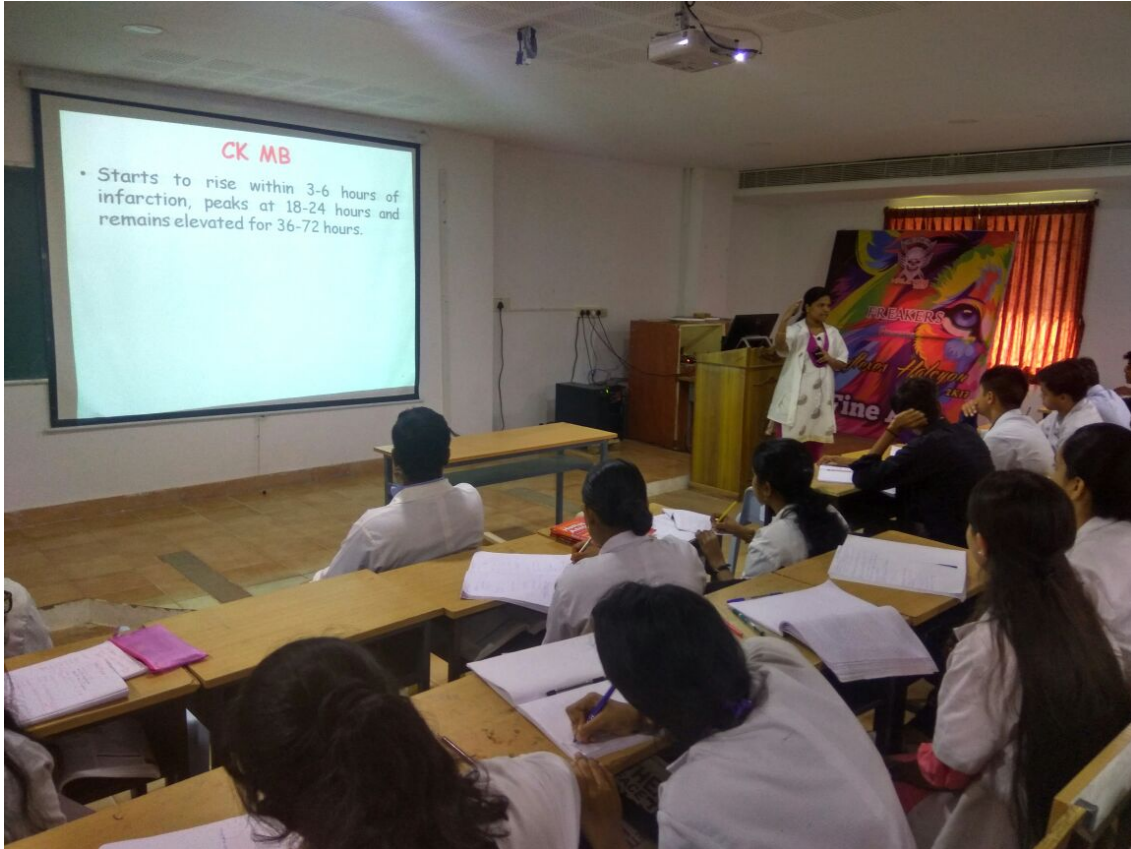

Dr. G. Rajasegar, Assistant Professor in the Department of Anatomy, spoke about the **Anatomy of Coronary Circulation**.

Dr. D. Amudharaj, Assistant Professor in the Department of Physiology, spoke about the **Physiology of Coronary Circulation**.

Dr. R. Surya Priya, Assistant Professor in the Department of Biochemistry, spoke about the **Cardiac Biomarkers**.

At the end of the 3 sessions, there was an interactive session, with active participation from the students.

Feedback forms were collected from the students at the end of the session.

On analysing the feedback form, there was an over-whelming response from the students for the present session & they were in favour of conducting more such Integrated lectures in the future. Based on the suggestions given in the previous feedback, **video demonstration of the coronary angiography was shown** during the lecture. The response for the same was excellent from the students.
