

An MoU was signed by Dr.M.Anuradha Ganesan,Director,VMU on behalf of AVMC & H, Puducherry and Professor Dr.Sujin,President, Naresuan University, Thailand for five years with effect from June 2016.

Based on this Dr.P.Anusuya, DEAN, AVMC & H, Puducherry

1.Dr.G.Priyadharshini

2.Dr.Pavan Surwase

3.Mr.Antony Leander

4.Ms.Shobana Sridhar

5.Mr.Shakthi Kumaran Ramasamy

6.Mr.Balaji with the concerted efforts of Dr.Sukrudee and Dr.Giri Rengasamy underwent a tour to Naresuan University, Thailand from 15.12.2016 to 22.12.2016.

The purpose was to foster relations between two Institutions, to develop academic, cultural interchange in the area of education, research and other activities.

We were really fortunate to have had an interaction with Dr.Sujin,President, Naresuan University, Dr.Sirikasem,DEAN, Naresuan University and his Team Members who were very hospitable, cordial, eloquent in their presentations and enriched our knowledge in the field of Medicine.

We were stunned by a Unitary Campus embracing 16 Faculties and 22 Centers of Excellence in Research with the state of Art IT enabled infrastructure, well qualified faculty Members with a thrust on applied Research, Academic services, Arts and Culture conservation including Thai unique tradition.

The Community Centre was an eye opener for us to replicate the model of outreach activities at Puducherry, India. In the near future. The Immunology Lab will be a platform for collaboration between the two Institutions in terms of Research.

We look forward in the month of March for an exchange program for Faculty Members and Students from Thailand for showcasing our culture and Academics.
