

AARUPADAI VEEDU MEDICAL COLLEGE & HOSPITAL, PONDICHERRY
INTERNATIONAL STUDENTS FORUM
THAILAND VISIT

Government of Thailand in relationship with Thai Airways is planning to conduct a 5 days Students forum programme at Naresuan University, Thailand. The students were instructed to write proposal on “Save Environment”. The students were asked to present the same for 10 minutes. Many undergraduate students from various years applied for the award of which 4 students were short listed.

A committee was framed by the Dean for the selection of the students comprising of the following members:

- i. Dr R Maharaja, Dean
- ii. Dr H Palaniswamy, Vice Principal
- iii. Dr Vijaya, HOD, Obs & Gynae
- iv. Dr Lakshmi Jatiya, Prof, Physiology
- v. Dr Sowmiya, Research Scientist.

The student was selected based on his content of proposal, presentation skills, applicability and clarity about the subject. **Mr Shakthi Kumaran Ramasamy**, Final year MBBS was selected by the committee members and it was decided to send him for the International student’s forum to be held at Bangkok.
