

AWARENESS PROGRAM ON MENTAL HEALTH (07.10.2016)

The Department of Psychiatry, AVMCH conducted an AWARENESS PROGRAM in view of the WORLD MENTAL HEALTH DAY, on 7th October, 2016

Our respected Medical Superintendent Dr. Maharaja and RMO Dr. Ulaganathan, inaugurated the function.

Dr. Partheeban, Assistant Professor (Psychiatry), began the program with his welcome address.

Dr. Sujaritha, Assistant Professor (Psychiatry), gave an elaborate talk about the NEUROBIOLOGY OF ALCOHOL DEPENDENCE, which explained about the changes in neural circuits in a person addicted to alcohol. Audio-visual explanation about neurobiology of schizophrenia and bipolar disorders were also displayed.

Dr.Thiviya, Senior resident (Psychiatry), spoke about the MYTHS IN PSYCHIATRY, which gave us light about the misconceptions and false beliefs about mental illness and their management.

The program ended with refreshments and Vote of thanks.
