WORLD ENVIRONMENT DAY

5th of June 2017

Every year June 5th is observed as World Environment Day (WED). The Day aims to motivate more people than ever before take action to prevent the growing strain on planet Earth's natural systems from reaching the breaking point. 'Connecting People to Nature', the theme for World Environment Day 2017, implores us to get outdoors and into nature, to appreciate its beauty and its importance, and to take forward the call to protect the Earth that we share.

Students and Faculties showcased their commitment towards a greener & cleaner world and participated in the photography contest conducted by **Dr. Anandbabu. R**, Assistant professor (Environmental Science) Department of Community Medicine. The students and faculties participated with great hope that things will get better, where people have the knowledge, will & commitment.

Our judges, **Dr. T. Prasad** and **Dr. J. Arun Daniel**, Assistant professor Department of Community Medicine who provided excellent commentary & feedback throughout the judging.

The winners were:

I Prize - Amirtha Varshini MJ. Professor & Principal (FAHS – Audiology & Speech Language Pathology)

II Prize - Dr. G. Hemalatha. Assistant Professor (Microbiology)
