World Health Day – Quiz Competition -2017

Every year 7th April has been celebrated as World Health Day by World Health Organization with a specific theme for every year. The theme for the year 2017 is **“Let’s Talk – Depression”**.

Each and every year **“Indian Association of Preventive and Social Medicine (IAPSM)”** provides the technical support to celebrate and organize an academic event on this World Health Day. On part of it **“Quiz Competition”** was conducted at Pan India level by a standard set of questions prepared by the IAPSM technical team.

The Department of Community Medicine of Aarupadai Veedu Medical College and Hospital organized a Quiz Competition on April 7th with Four team as three members in one team. Preliminary round was conducted on April 5th for 50 students from second, third and final year MBBS students for short listing the four teams. By using lot method the teams were allotted the team names by Vice Principal Dr.Palaniswamy

IAPSM provided the set of questions with answer key for elimination round and final quiz programme. Dr.S.Kirubakaran, Assistant Professor , Department of Community Medicine was the Quiz Master, Dr.Arunachalam, HOD of Community Medicine and Dr. Sethumadhavan HOD of Microbiology were the judges, Dr.Subash Chandra bose, statistician was the time keeper and Medical interns were the Scorers.

Guidelines given by the IAPSM was followed to conduct the all 6 quiz rounds there was no tie among the teams. The Winners were TEAM C (Mohana S, Deepika D and Srivisalini.V) and Runner up Team D (Abinaya S, Suganthi K and Ashuwiniguna S). The rolling trophy was given to the winners on April 11th at CME programme organized by Department of Community Medicine.
