

## **Temporal Bone Dissection Demonstration Workshop**

The Department of Otorhinolaryngology, AarupadaiVeedu Medical College, Puducherry organised a 2-day workshop on temporal bone dissection demonstration on 26/10/18&27/10/18 from 9am to 4pm at the ENT seminar hall, AVMCH. This workshop was attended by PG's and faculty from several other colleges.

Intricate knowledge of temporal bone anatomy is essential in the field of Otorhinolaryngology; hence a temporal bone dissection demonstration workshop was organised.

The programme was inaugurated by Dr. Maharaja, Prof, Dept of ENT Dr.SuryanarayanJoshya, Prof and head of dept of ENT, AVMC, Dr. Prasad K.C. ,Dr.Prabhu V. with lighting of lamp.

Dr.SuryanarayanJoshya gave the welcome address thanking all the guest speakers for sparing their valuable time to enlighten us.

The morning session started off with a detailed lecture on the surgical anatomy of external, middle ear and mastoid by Dr.V. Prabhu, Professor, Dept of ENT, SVMC, Puducherry.

Dr. K.C. Prasad, Prof and Head of Dept of ENT, Sri Devaraj URS medical college, Kolar, a prominent figure in otorhinolaryngology community, gave a brief introduction to temporal bone dissection with video demonstrations.

The afternoon session was conducted by Dr.JayitaPaduval, Associate Prof, Dept of ENT, PIMS, Puducherry who gave a detailed description of the surgical anatomy of the inner ear and CP angle.

On the 2<sup>nd</sup> day Dr. K.C. Prasad, Prof and Head of Dept of ENT, Sri Devaraj URS medical college, Kolar, ardently demonstrated transcanal surgical procedures of the middle ear on the temporal bone during the morning session. This was followed by an interactive session with the post graduates and junior consultants.

The afternoon session encompassed an interactive and enthusiastic dissection of inner ear and CP angle approaches. It ended off with a beautiful demonstration of the turns of the cochlea.

The afternoon session was concluded with Dr. K.C. Prasad interacting with the delegates and showering the gathering with his words of wisdom.

The vote of thanks was given by Dr. Manoharan M., Senior resident, Dept of ENT, AVMC.

The programme was a grand success thanks to all the faculty and technical and support staff.
